

HERE'S THE THING...

You are going to blink and high school will be over. How about earning your diploma and most importantly, your dream career when you cross the graduation stage?

THIS IS HOW WE HAVE YOUR BACK AS YOU WORK TOWARDS YOUR DREAM CAREER

SEE, THEN DO

Learn the essentials in the classroom. Practice/create in our hands-on labs.

EARN INDUSTRY CREDENTIALS

Use the skills you learned to earn credentials/certifications to make you career ready.

GROW INTO A LEADER

Build your skills working/leading teams. Play a role in community service events.

LEARN FROM THE MASTERS

Gain experience in internships/job shadowing. Connect with mentors/industry partners.

SOONER THAN YOU EXPECTED.

IT ALL LEADS TO THIS... MONEY AND A CAREER WAY

“A FEW YEARS AGO, I WOULD HAVE NEVER EXPECTED THAT AT 22 YEARS OLD, I WOULD BE LIVING ON MY OWN IN A VERY SOLID AND SUCCESSFUL JOB.”

– Melissa Coggin
West-MEC Alumnus

A FASTER WAY FORWARD TO YOUR DREAM CAREER

CAREER READY

4,300+

Last year our students earned 4,300+ industry credentials which signals they are career ready to potential employers.
