### Applications Open for the 2024-25 School Year

**GLENDALE, Ariz. (October 10, 2023)** – Western Maricopa Education Center will open its application process for the 2024-25 school year on October 31.

Students will be able to apply to participate in one of West-MEC’s 29 career and technical education training programs. From coding, medical assisting, hairstyling, automotive technology, welding, and many more, West-MEC has a wide variety of programs that are a faster way forward for students. There are also eight training programs for adult education seekers.

"West-MEC was the first time I found something I was really passionate about and got to participate in that and go to school at the same time, which was really cool," said EMT program completer Connor Mattingly. Mattingly is now the Associate Registered Nurse (RN) Director at Banner Health.

Come to West-MEC to level up your future!

If you have any questions, contact the Student Services Office at 623-738-0014 or at [studentservices@west-mec.org](mailto:studentservices@west-mec.org).

#### About West-MEC:

**West-MEC is a career technical education public school district focusing solely on innovative career and technical education (CTE) programs that prepare students to enter the workforce and pursue continuing education. West-MEC CTE programs provide students with opportunities to earn college credit and industry credentials. West-MEC serves more than 37,000 students from 48 high schools across 3,800 square miles in the northern and western cities of the Phoenix Metropolitan area. West-MEC also offers adult education programs. Visit [www.west-mec.edu](http://www.west-mec.edu) for more information about West-MEC’s career-driven education opportunities, or follow us on Facebook, Twitter, and Instagram.**
