

AUTOMOTIVE ADVISORY MEETING NOTES

West-Mec North East Campus

1617 W. Williams Drive

Phoenix, AZ 85027

- **Welcome/Introductions* (Contact Information Attached)**

Attendees: Mike McAfee, Carlos Lopez, Dean Peterson, Matt Trader, Denny Moore, Nick Shumaker, Eric Fenske, Frank Quinn, CJ Williams, Cliff Migal

- **West-Mec District #402 – Who We Are**

Frank delivered an overview of JTED, discussed the district and then received questions. Dean Peterson answered all questions pertaining to student involvement, district boundaries and member districts.

Cliff discussed funding, student application process, program standards, current locations, future sites, also the relationship with CTE and the industry.

- **Type of Program – Certified – 2 Options**

Block scheduling

We reviewed NATEF standards and the 3 options. The focus was on MLR and AST. The members will review these options and present their opinions at the next meeting.

- **Length of Program – 2 year**

Block scheduling

We discussed the scheduling sequence and how it relates to our member districts. It was received with positive feedback.

- **Outcomes of the program –**

A.S.E. / Industry Certification

Mike and I presented the correlation of using the NATEF standards in conjunction with the AYES model (Education Map). The members were excited to see relevance in this type of program for all involved.

- **Job shadow and Internships –**

A.Y.E.S. Model (National)

Mike explained in depth the full benefit of the map and time line for the students as well as the industry.

- **Other Business**

Committee members were directed to review all information presented and deliver their results at the next meeting.

- **Future meeting dates – Wednesday, October 8, 2014 at 11:00am**
