Minutes:

The minutes from the November 8, 2012 meeting were approved – motion made by Mike McAfee and seconded by Dave Vaughn.

State Skills:

The Skills USA State Championships for Medium/Heavy Diesel contest will be on March 26, 2013 from 8am – 2pm, at Freightliner. The goal for this year's contest is to get more high schools to participate and invite Central Arizona College and Yavapai College to compete in a post-secondary contest. The following items are needed:

- Thirteen judges
- Defective parts for failure analysis station
- Two trucks: One engine performance station and one preventative maintenance station

Thanks in advance for all your time, effort and support of Medium/Heavy Diesel

Adult Training:

Adult training will continue to be in the planning stages and could take place by 2014.

Snap-on Training:

Special thanks to Frank Quinn for all his efforts to get equipment ready for the Snap-on training, January 14 – 18, from 8-5pm. Training will be held at the Medium/Heavy Diesel on the Freightliner property.

NATEF:

Mr. Gerald Petersen is the evaluation team leader and he will visit the Medium/Heavy Diesel program the first part of February for an evaluation. NATEF has added a new standard for Advisory Committee (new for 2012) Standard 6. www.natef.org for more information.

Job Shadowing:

Mike McAfee and Frank Quinn will be making dealer visits to prepare for job shadowing week for the first and second week of February.

Tour of Aviation:

Thank you, Troy Gabaldon, for an excellent tour of a stellar program - another fine example of a great program and a great Advisory Committee.

Next meeting: March 14, 2013 - 3:00pm at Sanderson Ford*, 6300 N. 51st Ave., Glendale, AZ 85301.

Tour the Sanderson Ford Museum at 3pm – you will not be disappointed!!! The advisory meeting will begin at 4pm.

**Use the truck shop entrance. You will go pass the guard shack and park between Truck Parts and the Museum.*
