

West-MEC

# PTCE Prep Course

West-MEC's 28-hour PTCE Prep Course is designed to prepare uncertified pharmacy technicians\* to take the PTCB's technician certification exam.

The course is comprised of expert instruction, practice quizzes, exams, and test-taking techniques over seven evening meetings.

**Location: 5487 N. 99th Ave.  
Glendale, AZ 85305**

**Time: 6:00 pm - 10:00 pm**

**Cost: \$225 (Course text included)**

**Contact: 623.772.4238  
adulted@west-mec.org**

\*This course does not provide training to become a pharmacy technician. It is intended for those preparing to take the PTCB exam. Prior training and/or work experience is recommended. Completing this course will prepare students for the PTCE, not register them nor complete the certification requirements.
